Who will be responsible for the bird's care: Feeding Exercise Grooming Training Expenses
How were you referred to The Humane Society of Fairfax County?
This bird may require spay/neuter surgery or other medical expenses following adoption.
Are you prepared to take on these expenses? $\square$ Yes $\square$ No
Because it is very stressful for a bird to go from home to home, we hope to place each one in a caring home for the rest of its life. Are you prepared to make this commitment?  Yes No What will happen to the bird if you have to move?
In an effort to ensure the bird's lifelong well-being, we screen our adopters very carefully and sign a legal contract with them. If at some point, you can no longer care for the bird we require that you return it to us. This way, the bird may be re-adopted to other qualified applicants and once again be protected by a legal contract. How do you feel about this?
This bird may take several weeks or months to fully adjust to you, your home and your animals. How would you ease the adjustment?

Young	Do your present pets have a o	current license and have they been vaccinated this year? $\square$ Yes	$\square$ No
